Career and Internship Opportunities

Internship Positions

- [Human Performance Research, environmental health effects and aerospace medicine, Naval Medical Research](#)

Postdoctoral Positions

- [Postdoctoral Fellow, Biomedical Sciences: Accelerating Translation of Biostasis, US Air Force and Defense Health Agency](#)
- [Postdoctoral, Medical Extremity Wound Treatment Study, Army Institute of Surgical Research](#)
- [Postdoctoral Researcher, Biomedical Engineering, Marquette University](#)
- NPA Website: <https://careers.nationalpostdoc.org/jobs/>

Full time Positions

- [Electrical Engineer, Ultrasound, DeepSight Technology](#)
- [R&D Engineer II, Biosense Webster](#)
- [Principal Development Engineer, Resonetics](#)
- [Supervisory Biomedical Engineer, Veterans Health Administration](#)
- [Bioengineer, Zymeron](#)
- [Clinical Engineer, Invoy](#)
- [MRI Engineer, ViewRay](#)
- [Purdue Start-up Job Board](#)—Foundry Start Up Companies Looking to Hire
- [ACTS Career Center](#)—Association for Clinical and Translational Science

- [Doc Jobs](#)—Jobs beyond traditional clinical and academic roles

Registration open for Fall GRAD 590: Grant Writing "Light"

Registration is open for GRAD 590: Grant Writing "Light" for Fall 2022

[Asynchronous Online, 1.0 credit hour, Pass/no pass Grade Mode](#)

Weekly quizzes instead of writing assignments

Register on MyPurdue: GRAD 59000 - 030, CRN: 24427

"Distance Learning" designation but open to all grad students

See the attached flyer for more information

Students are welcome to contact Lisa R. Nielsen, PhD with their questions!

Postdoc Preview (Sept. 15–17, 2022)

- *Postdoc Preview* is a three-day competitive program that provides selected applicants the opportunity to visit VAI to learn about our postdoc training opportunities, meet one-on-one with our internationally recognized faculty and explore our extensive scientific resources.
- VAI will provide transportation, lodging and meals for selected applicants. We also are pleased to offer family care grants for those caring for children or other family members.
- Eligibility: Applicants must be current graduate students at U.S. institutions who anticipate beginning a postdoc by January 2024. Individuals who identify as members of underrepresented racial and ethnic groups are strongly encouraged to apply. Preference will be given to U.S. citizens and permanent residents.
- Applications are due at 11:59 p.m. ET on July 10.
- *More information and the application may be found [here](#).*

AES Energy Innovation Challenge

See attachment

The [AES Corporation](#), a company specializing in clean power generation and distribution worldwide, is seeking participants for this year's [AES Innovation Challenge](#). In this competition, interdisciplinary teams of graduate students design and present innovative clean energy solutions to real world problems. **The first and second place teams are guaranteed \$10,000 and \$5,000 respectively!** In addition to the competition itself, participants will also gain exposure to industry professionals and explore post-graduate opportunities through company presentations, coffee chats, and exclusive free memberships to industry groups such as [SEIA](#) and [EEI](#).

Please refer to the AES flyer for more information about team requirements, the challenge's structure, prizes, networking opportunities, and the competition's prompt and rubric.

Graduate Professional Development Newsletter (July 8)

[Graduate Professional Development Newsletter \(July 8\)](#)

Cleveland Clinic Morgenthaler Symposium | Still Time to Apply!

See attachment

Cleveland Clinic's Lerner Research Institute is inviting select PhD students for an expenses-paid opportunity to attend and present at the inaugural Morgenthaler Symposium.

Join us for two days of networking, talks, posters, and awards with world-renowned faculty and learn about the exciting postdoctoral opportunities at Lerner Research Institute.

[APPLICATIONS NOW OPEN - Apply Now!](#)

Applications will be accepted from late-stage STEM PhD students who expect to be looking for a postdoctoral fellowship position in the next few years. Applicants must be enrolled in a United States PhD program. Participants must not have committed to a postdoctoral position before the symposium.

Apply by July 15, 2022 at 12pm (Eastern Time).

Aviator's Baseball JULY 15 Fundraiser

GSO is hosting a **fundraiser** with the **Aviator's baseball** team to help fund future GSO events!

Purchasing a ticket for the game on **July 15th** using the Promo Code "**ChemE**" at checkout will give you \$2 off your \$10 ticket and a portion of the **proceeds will be donated to GSO**. Please help promote this event to your friends/family outside the department to help support your GSO.

You can purchase your ticket [online](#) or at the GSO ticket booth on game day (while supplies last). We suggest purchasing **seats in section 111** so we can all sit in a group, although this isn't required.

We look forward to seeing you at the game!

The poster is primarily yellow with a dark blue footer. At the top left, a grey box contains the text "Ticket Fundraiser" in blue. To the right, another grey box contains "July 15th" in blue. In the center is the Aviators Lafayette logo, featuring a cartoon aviator with a mustache, wearing a brown jacket and a flight helmet with a propeller, holding a baseball bat. Below the logo, the text "Proudly Partners With:" is written in black. Underneath this, the GSO logo (a stylized 'GS' with a yellow gear-like shape) is shown next to the text "Purdue Chemical Engineering Graduate Student Organization". The bottom section of the poster is dark blue with the text "USE PROMO CODE 'CHEME' AT CHECKOUT" in white, all-caps font.

Ticket Fundraiser

Workshops and Deadlines

Here are some upcoming workshops and deadlines more detailed information about the workshops will be sent out separately closer to the event.

July 13 th	BME and IBSc Summer Seminar Presentation: Claudia Benito Alston & Lexi Petrucciani
July 18 th	Coffee with the Dean (Grad School)
July 19 th	Citation Management with Zotero (Grad School)
July 19 th	RCR: Discipline-Specific Training (Grad School)
July 19 th	Suicide Prevention Training
July 20 th	BME and IBSc Summer Seminar Presentation: Om Kolhe & Julia Walsh
July 20 th	Business Meal Etiquette (Grad School)
July 27 th	BME and IBSc Summer Seminar Presentation: Seokkyoon Hong & Sang Hoon Um
July 27 th	Postdoc Grant Writing Lecture: All about National Science Foundation Grants (Grad School)
July 27 th	How to Find and Prepare for Fellowship Applications (Grad) (Grad School)
August 3 rd	BME and IBSc Summer Seminar Presentation: Donghyun Yim & Seul Ah Lee
August 10 th	BME and IBSc Summer Seminar Presentation: Lucy Tecle & Luke Brennan
August 17 th	RCR: Discipline-Specific Training (Grad School)

News from You

Please inform Tammy of honors, awards, or other accolades (to include having a paper published) you receive so that the Weldon School may recognize your accomplishments. Send the complete information – specific title and nature of the award, name of conference or event at which award was given, date of said event, photograph if available, etc. – to tsiemers@purdue.edu.
