Please join us on **October 24th, 2023 at 11:45 EST** for an online webinar about the Chateaubriand STEM Fellowship. The Chateaubriand Fellowship is a PhD exchange program that allows US University students to conduct research in France for a period of 4-9 months. Fellows receive a monthly stipend, as well as assistance for airfare and health insurance.

The webinar is open to administrators, professors, and prospective applicants.

A zoom link will be provided closer to the webinar date. Please fill out the Google Questionnaire to register for the event, and to receive the registration link.

More information on the fellowship can be found on our website: <https://chateaubriand-fellowship.org/>
