

SEATTLE

DIVERSE RESEARCH OPPORTUNITIES FOR POSTDOCS
VIRTUAL RECRUITMENT EVENT

DROP

Join our virtual diverse recruitment event for prospective postdocs in biomedical research

The Fred Hutch/University of Washington/Seattle Children's Cancer Consortium is hosting a collaborative initiative to recruit postdocs. *Individuals from groups that are underrepresented in biomedical research are especially encouraged to attend.*

- Online: **May 7, 2024** from **8am – 230pm PST**
- Learn more about research in Seattle
- Hear from T32 PI's about opportunities in research
- Celebrating identities in the Pacific Northwest
- Finding the right mentor
- Enjoy lunch on us via food delivery for first 250 registrants in the USA
- All are welcome to attend
