PCCR Monthly Series on Career Development

Promoting a Community of Care: Supporting Graduate Student Mental Health on Campus

Christopher Hanes

Senior Director, Counseling and Psychological Services (CAPS)

September 22, 2022, 11:30 AM – 12:30 PM (EST)

Drug Discovery Lobby Conference Room

Introduction

This presentation will discuss graduate student mental health trends and resources on campus. We will discuss ways to promote a community of care at Purdue that supports holistic wellness, help seeking, and empowers our community to partner in these efforts.

Speaker

Christopher Hanes, Ph.D. HSPP Dr. Hanes serves as director for Purdue University Counseling and Psychological Services (CAPS), which is the primary provider of mental health services and resources for Purdue students. Dr. Hanes held several leadership positions in counseling and psychological services including Student Counseling Services Director at Iowa State University (2019-21); Associate Director/Clinical Director, CAPS at University of Cincinnati (2017-19) and Associate Director/Clinical Director, CAPS at the University of Central Florida, Orlando (2013-17), including interim assistant director for clinical services and associate director, providing administrative oversight of clinical services. He also provided direct patient care for more than a decade at various schools and hospital (2002-13). He is an active member of American Psychological Association, American College Counseling Association, Association for University and College Counseling Center Directors and many other organizations.
