

3rd Annual Conference on

NEXT-GENERATION TRANSPORT SYSTEMS (NGTS-3)

RESEARCH PILLARS

Autonomous vehicles
Connected vehicles
Shared transport
Electric vehicles
Aerial transport

**Theme: “Autonomous
solutions for smart and
sustainable transport”**

PERSPECTIVES

Control
Demand
Operations
Technology
Infrastructure
Human factors
Planning & policy

Register at
www.tinyurl.com/ngts2023

MAY 16-18, 2023

PURDUE UNIVERSITY
Discovery Park

MRGN 121, DISCOVERY PARK, PURDUE UNIVERSITY

Organized by Center for Connected & Automated Transportation (CCAT),
Next-generation Transportation Systems Center (NEXTRANS),
Build America Center (BAC) and Purdue University Discovery Park
