PCCR Monthly Series on Career Development

Fellowships for International Graduate Students and Postdocs in the Life Sciences

Lisa Nielsen, Ph.D.

Grant Writer and Postdoc Director

December 7, 2022, 12:30 PM – 1:30 PM (EST)

Drug Discovery Lobby Conference Room

Key Points

- We will explore best practices for preparing fellowship applications with emphasis on opportunities open to international PhD students and postdocs.
- Learn how to search for grants and fellowships to explore opportunities specific to your field
- Discover how to evaluate a fellowship opportunity for its potential fit for your research
- Utilize resources from the Fellowship Office to prepare for your future research career

Speaker

Lisa Nielsen, Ph.D. Dr. Nielsen is a grant writer for the Purdue Graduate School Administration who helps graduate students and postdocs with their fellowship applications. In her role, Dr. Nielsen presents webinars, gives writing consultations, and develops online grant writing tools for graduate students from across Purdue's campus. Additionally, Dr. Nielsen serves as the Director of the Postdoc Office, where she coordinates professional development resources for the Purdue postdoc population.
