

EAS Division of Engineering and Applied Science

TRAILBLAZERS SYMPOSIUM

November 2-3, 2023

The EAS Trailblazers Symposium seeks to recognize and provide professional development opportunities for outstanding early career researchers who advance the frontiers of research in engineering and applied science.

Graduate students and postdoctoral scholars within 1-2 years of applying for faculty positions are encouraged to apply. We especially encourage applications from candidates who are committed to enhancing diversity, equity, and inclusion in the areas of research, teaching, and/or outreach.

We look forward to receiving your application by **August 15, 2023!**
