BIRCK CARRY IN LUNCHEON

- Bring food and be prepared for fun ☺ **Wednesday, August 30, 11:30AM - 1:00PM**

TOWN HALL MEETING REMINDER

- **Thursday, 08.17.06, 1:30PM Birck 1001.**

SEMESTER START UP: It's that time again! Here are some reminders

- **Group meetings?** Reserve a room in Birck using RAT, a handy allocation tool (<https://engineering.purdue.edu/ECN/Resources/Tools/RAT>). Annie or Sheryl may be of assistance also.
- Have a problem with your desktop computer? Need to add printers for Birck? E-mail: dpsite@ecn.purdue.edu
- Secretarial Support Is Here! See Annie Cheever or Sheryl Willison for assistance.

TORNADOES: BE PREPARED TO TAKE SHELTER

- In a recent phone call with Thomas Cooper, Senior Director for Environmental Health and Public Safety (tncooper@purdue.edu), we reviewed safe locations for the Birck Building. When the tornado alarms ring, go to a hallway in the building that does not have any glass, the restrooms, or conference room 1001. Additional information will be shared with you as it becomes available.

MAILING LISTS ESTABLISHED

- Lists are moderated so e-mails sent to the lists will be reviewed before being sent.
- If your e-mail appears on the BNC directory (sent out monthly for review), you'll appear on one or more mailing lists.
- Use bnc-all@ecn.purdue.edu to send e-mail to ALL parties on our directory (includes staff, grad students, faculty, users - anyone on the BNC directory).
- Use bnc-faculty-occupants-list@ecn.purdue.edu to send e-mail to faculty with offices in the Birck Center.
- Use bnc-grads-list@ecn.purdue.edu to send e-mail to graduate students associated with the Birck Center.
- In an effort to be fair to all individuals on our directory, e-mails will be sent with a distinct subject line so that you'll know if you want/should read messages sent on behalf of the BNC. *Thank you for realizing that different people have different views on what is news and what isn't.*

LIFE ON THE OUTSIDE . . .

Congratulations to David Go and his wife and the newest edition to their family: **Donovan Isidore Go**. Donovan entered the world July 27 weighing in at 8 pounds and measuring 20.5" long. Everyone is doing great.

David is with the Nanoscale Thermo-Fluids Lab & Cooling Technologies and Research Center in the School of Mechanical Engineering and the Birck Nanotechnology Center. His office is BRK 2218.
