

## Biotechnology Research Event

### Purdue University/Discovery Park

Where	Mann Hall Atrium
When	11:30 AM - 1:30 PM
Date	Thurs. May 10, 2012
Catering	Pizza Hut

### Vendors Displays From:

### Products/Services:

- Laboratory Consumables  
(gloves, plasticware, glassware, & etc.)
- Chemical Reagents  
(enzymes, PCR kits, nucleotides, cloning ladders, agaroses, buffers, isolation kits)
- Reserach Metals & Materials  
(inorganic, organic, & organometalic )
- DNA Gel/Western Blot Imaging Systems
- General Laboratory Instruments  
(shakers, incubators, water baths, etc)
- Bioreactors & Cell Culture Equipment
- Electrophoresis & Genomics Tools  
(tanks, power supplies, UV/LED lights assessoris, consumables, precast gels)
- Liquid Handling  
(pipettes, microplate readers, dispensors)
- Cusotm Lab Services  
(protein, antibody, peptide, DNA)
- Analytical Equipment  
(fluorometers, probes, scales)
- ..... and many more .....

### THE FUTURE OF ELECTROPHORESIS

**runVIEW**

- Tank
- Power Supply
- Blue LED Lighting
