Qnity Electronics, Inc.
ON-CAMPUS INFORMATION SESSION SERIES

Qnity Electronics Inc. invites you to an informal information seminar series at Purdue University. This two-part event features four Qnity employees—all proud Purdue alumni—who will share an overview of Qnity, talk about their unique career journeys, and answer your questions about working in the electronics industry.

Designed as a relaxed and interactive discussion, this series offers an opportunity to explore potential career paths, gain firsthand insights, and connect directly with professionals in the field. Questions and conversation are encouraged!

RSVP TODAY!
