Dear Dr Suresh V. Garimella,

I am writing on behalf of the Agency for Science, Technology and Research (A*STAR) in Singapore and would like to share with you a prestigious and generous award that A*STAR is offering to recognize young scientific talent and to develop them into the next generation of global leaders in science – the A*STAR Investigatorship.

The call for the A*STAR Investigatorship will be open on 15th May 2014 and will close on the 14th of August 2014.

I have attached the publicity mailer for the A*STAR Investigatorship for you to share and disseminate within your institution to encourage promising scientists and engineers to apply.

Please feel free to contact Dr Ariel Tan (Ariel_Tan@a-star.edu.sg), or at +65 6826 6404 if you require more information.

We look forward to your kind support. Thank you.

Yours Sincerely,

Prof Sir David Lane
Chief Scientist (Agency for Science, Technology and Research)
Chairman (A*STAR Investigatorship Selection Panel)
