

# NSAC Newsletter

## Fab Forum Returns next Monday

Dr. Justin Wirth is a Senior Research Engineer at Birck and he is hosting Fab Forum, a bi-weekly meeting on a specific topic, but questions pertaining to Birck, cleanroom access and usage, fabrication, processes or any specific tool(s) are welcome. Snacks will be provided. Take a break with us!

## Academic Committee

Are you interested in learning more at Birck? Do you want to share a special skill with other students? The NSAC Academic Committee is looking for members!

Come join us Wednesday at 12pm in BRK 2001. We will be discussing coffee hour, fab forum, campus lab tours, and a skills lab.

## Coffee Hour Guest Speakers Needed!

We are looking for grad students who are interested sharing their experiences at Birck. We want to know what you are working on, what you are working with, and more! The following are all allowed.

- Published Papers
- Lab Tours
- Case Studies

Research talks chosen will receive a \$5 Starbucks gift-card as a thank you!
