

# NCN Student Research Symposium (NSRS)

Tuesday, June 16, 2009

CALL FOR ABSTRACTS

nanoHUB : online simulation  
and more

## Electronic Abstract Submission

**Deadline for submission:** *June 5, 2009*

**Format:** Word doc/ pdf (150 words)

**Email to:** [ncn.slc.amrit@gmail.com](mailto:ncn.slc.amrit@gmail.com)  
[aeislam@purdue.edu](mailto:aeislam@purdue.edu)

**Topics:** Nano-science/ technology,  
computational science

**Presentation format:**

11 min presentation + 4 min Q/A

## WHEN

9:30am-4:00pm

Tuesday, June 16, 2009

## WHERE

Room 129

Burton D. Morgan Center for Entrepreneurship  
**Purdue University, West Lafayette, IN, U.S.A.**

**Organized By:**

NCN@Purdue Student Leadership Council

The Network for Computational Nanotechnology is supported by the National Science Foundation and Purdue University. It has a vision to pioneer the development of nanotechnology from science to manufacturing through innovative theory, exploratory simulation, and novel cyberinfrastructure.
