

# Mentoring@Purdue

## Welcome Back!

### Welcome Back Social

Wednesday, August 30, 2017

Noon – 1pm

Leopold's Landing • Pfendler Hall

Mentoring@Purdue would like to invite all incoming and current graduate students, faculty, and staff to our annual welcome back social. This informal event is a great opportunity to meet new students, reconnect with returning students, and actively engage with potential peer and faculty mentors.

Please join us for lunch, socializing, and to learn how to get involved with Mentoring@Purdue!

### What is M@P?

M@P is a mentoring program designed for women and minority graduate students in the College of Agriculture at Purdue University. M@P aims to improve the quality of graduate education through fostering mentoring relationships between graduate students and faculty or staff members in the Agriculture and Life Sciences.
