Overcoming Obstacles

Overcoming Obstacles for Effective Mentoring

Wednesday, February 28, 2018

Noon – 1pm *(Lunch provided)*

Pfendler Hall, Room 241

Natasha L. Harris
Assistant Director
Science Diversity Office

Relationships evolve and change over time and come with their own set of benefits and challenges. Every challenge is an opportunity in disguise. Join M@P to discuss strategies for overcoming challenges and become an effective mentor.

What is M@P?

M@P is a mentoring program designed for women and minority graduate students in the College of Agriculture at Purdue University. M@P aims to improve the quality of graduate education through fostering mentoring relationships between graduate students and faculty or staff members in the Agriculture and Life Sciences.
