Gender, Race, Age--We all have unconscious beliefs and biases that can cloud judgement and affect relationships. To form an effective relationship with your mentee/mentor, it is important to recognize these unconscious or implicit biases.

Join us for an interactive workshop on how we can recognize our own implicit biases and prevent it from negatively affecting our mentoring relationships.

What is M@P?

M@P is a mentoring program designed for women and minority graduate students in the College of Agriculture at Purdue University. M@P aims to improve the quality of graduate education through fostering mentoring relationships between graduate students and faculty or staff members in the Agriculture and Life Sciences.
