It's no secret that academic writing is at the core of graduate research programs. Research has shown that many graduate students struggle with overcoming some of their writing challenges. This workshop will provide some tips on how you can strengthen your academic writing skills. Join us for a dynamic session centered around improving writing habits and how to mentor someone around this necessary topic.

### What is M@P?

M@P is a mentoring program designed for women and minority graduate students at Purdue University. M@P aims to improve the quality of graduate education through fostering mentoring relationships between graduate students and faculty or staff members.
