The world

5 Best things the department does.

1. The ability to all come together to collaborate.
2. The requirement to keep up on training and WebCerts such as Title IX.
3. Allows for work life balance, + flexibility
4. Ability to reach out to others in the school as resources.
- 5.

5 ^{worst} ~~best~~ things the department does.

1. office space - HAMP.

2.

Faculty are engaged to genuinely help their students.

Research - Hands on Learning

Staff support Staff (for the most part.)
