

CHESAC CHRONICLE

NOVEMBER 2010

UNITED WAY PENNY WARS

ChESAC, AIChE and OXE co-sponsored a Penny Wars this past October to benefit the United Way.

Each class was put against each other with the winning class receiving a pizza party.

It was a standard Penny wars with coins receiving positive points and all dollars receiving negative points. The wars went extremely well. We ended up raising a total of \$233.21.

This amount will be matched by Lilly Foundation.

The Seniors ended up winning with a total of 24.13 points. The Faculty/Staff

came in second with 9.27 points, the Juniors had 8.89 points, the Graduate students had 5.91 points, and the Sophomores had 3.01 points.

Thanks goes out to all who participated and helped raise some money for a great cause.

**United Way****NOMINATE SOMEONE FOR STUDENT/PROFESSOR OF THE MONTH**

ChESAC is now accepting nominations for its student/faculty of the month display : submit information below to chesac.purdue@gmail.com:

1. Name of Chemical Engineering Undergraduate Student you are nominating and year.
2. Name of Chemical Engineering Professor you are nominating.
3. Reasons for nomination.

Note, if selected, the winner will receive an e-mail questionnaire from ChESAC that will be featured on our bulletin board and in the next newsletter.

PURDUE CHE T-SHIRTS

The Chemical Engineering Student Advisory Council has made T-shirts for Chemical Engineers.

The t-shirts will be sold for one last time during the ChESAC December Social. They cost \$10 .

Don't miss out on your chance to represent the Chemical Engineering student body here at Purdue University.

Upcoming Events Around the School:

- **AIChE Student-Faculty Luncheon: November 17th 11 AM-1PM, Forney Atrium**
- **ChESAC Hot Chocolate Social: December 1st 11:30-1:30 PM, Forney Atrium**
- **AIChE Pubbin' with the professors: December 3rd 7-10 PM, Spurlock's West**
- **ChESAC December Mentoring Meeting: December 9th 6 PM, Location TBD**

BOO AT THE ZOO

This year, OXE sent a group of six members to help out with Boo at the Zoo at Columbia Park Zoo in Lafayette. Boo at the Zoo is a great way to allow children to trick or treat in a safe and controlled environment. Everyone from our group reenacted scenes along the train ride that the zoo offers. Two members dressed up as the wicked

witch and enchanted mirror from Snow White while everyone else performed a skit of Humpty Dumpty with the king's men. We all had a great time and the kids enjoyed seeing their favorite characters on stage. OXE will most likely be participating in Boo at the Zoo in upcoming years with ChESAC and AICHE. — Samantha Hahn, OXE

PUBBIN' WITH THE PROFESSORS

The most recent Pubbin' with the Professors was held Friday, October 22nd at Spurlock's West on US 231, near the McDonald's at the bottom of the hill.

By all accounts, it was a great success. Five Professors/Staff Members were in attendance, Prof. Beaudoin, Mrs. Veronica Schirm, Prof. Yuan, Prof. Morgan, and Professor Houze. Additionally, it was held at a new venue which would allow students under 21 to stay after 9pm. The venue change was well received by both students and professors,

who noted that both the atmosphere and food added to their enjoyment of the event. However, wherever Pubbin' is held, it is important to remember why AICHE holds these events in the first place: to create an environment where students and professors can interact outside of the classroom.

The next Pubbin' will be held on Friday, December 3rd at Spurlock's West from 7pm-10pm. Additionally, in a move that is perhaps ironically poetic, the food for

this Pubbin' event will be sponsored by Anheuser-Busch. See you there! – Todd MacMillan, AICHE Vice President External

The AICHE Exec board with Professor Lister and Professor Morgan

Have a great Thanksgiving Break!!
