

Fisher Scientific Presents

Kimberly-Clark Glove Fit & Feel

Date: Tuesday, May 14th, 2024

Time: 8:00am – 12:00pm and 1:00pm - 4:00pm

Location: Fisher Store Room Lilly Hall G-103

Featured Supplier:

Join Fisher Scientific as we present the Kimberly-Clark glove portfolio!

This is a great opportunity to meet your local representatives and find the perfect glove to fit your research applications and personal preferences. We will be featuring the brand-new Kimtech Polaris Nitrile Exam Gloves, which has been tested against some of the harshest chemicals in the research environment.

Drop by to chat with your local Fisher and Kimberly-Clark representatives to find the right glove for you!
