

Purdue University - qualifies for "SolidWorks Student Access", the full-suite SolidWorks CAD & Simulation off-network, laptop program. **Please share this email with your colleagues/classmates to promote usage.**

HOW TO DOWNLOAD AND INSTALL SOLIDWORKS SEKs ("Student Engineering Kits")

Uninstall any/all previous version of SOLIDWORKS

Go to www.solidworks.com/SEK

Use SEK-ID = **XSEK12** and enter all relevant information into the form

Choose '2017-2018' or '2018-2019' for the desired version of SOLIDWORKS

You will then be asked to enter the school's unique SEK Serial Number:

Your Serial Number is: **9020008300666031B42NH586**

Composer Serial Number: 9020008000646850CNJCRX8F

CAM Serial Number: 9020008150651663J2X6D82K

Number of Activations: 2000

Follow all remaining instructions and accept all defaults

Your VAR Name is DASI

If, for any reason, a problem occurs with this software installation, please send an email with screen shots of the error to studentsupport@Solidworks.com

The **2017-2018** version will expire **July 31, 2019** ~ The **2018-2019** version will expire **July 31, 2020**.

These licenses are for personal computers only, not labs or school computers.
