

EXPERIENCE THE MOTOROLA SOLUTIONS INTERNSHIP PROGRAM

ENGAGE, INSPIRE, GROW

On any given day, every moment matters to someone, somewhere. In every moment, Motorola Solutions' innovations, products and services play essential roles in people's lives. Our elite student internship program is designed with you in mind. It all starts with our belief that the next big idea can come from anyone, anywhere at any time.

Our goal is to help develop and prepare you as you begin to contemplate life after school, through hands on experience with real problems that need real solutions. From direct contact with our senior leaders to our Motorola Solutions Day of Caring, we want you to grow in ways never expected. **We help people be their best in the moments that matter.** This is our purpose, and we want you to be a part of this effort.

COULD THIS BE THE RIGHT FIT FOR YOU?

We look for the most advanced problem solvers – like you – to help us create technologies that rise to the challenge of enterprises and governments around the world.

OPPORTUNITIES:

We offer a variety of internships in many different disciplines:

- Marketing, Human Resources, Legal, Communications
- Chief Technology Office (CTO)
- Engineering
- Finance
- Information Technology (IT)
- Procurement & Supply Chain
- Sales/Services

Our formal Mentorship Program provides an excellent opportunity to network, ask questions and learn what it is like to work for the global leader in mission critical communication products, services and solutions.

WHO QUALIFIES?

We are looking for full-time students from all academic backgrounds enrolled in a post-secondary degree program, who will be returning to school in the fall following our internship program.

PROGRAM DATES

Motorola Solutions' Internship Program is a 12-week program that begins in June and ends in August of every year.

HOW TO APPLY

Visit us at www.motorolasolutions.com/careers and see which opportunity is a good fit for you.

ABOUT MOTOROLA SOLUTIONS

Founded in 1928, Motorola has a history of innovation that has revolutionized communications. From pioneering mobile communications in the 1930s and making equipment that carried the first words from the moon in 1969, to supporting modern-day emergency response equipment for disaster relief efforts around the world, Motorola Solutions has a global footprint with products that demonstrate its thought leadership.
