

Can you reinvent the wheel?

A unique case competition.

**Win a trip to New Orleans!
Networking —Cash Prizes—Get Published!**

The Fuels Institute, a multi-industry DC-based think tank, is seeking entries for an inter-disciplinary case competition to design *the future of transportation*.

Finalists will be flown to New Orleans for the Fuels Institute Spring Meeting, April 27-28, 2015, to present to senior executives for final judging.

Get started by submitting your abstract by December 8, 2014.
