

Request for Student Sustainability Showcase

Showcase your student-led sustainability projects and activities! This unique student showcase is not your typical poster session, but rather a chance to talk to other students, faculty, and staff about your sustainability efforts, learn about exciting sustainability projects, and help create a culture of sustainability at Purdue University! Individual, group, or class submissions are welcome!

Event Details

What: Student Sustainability Summit

When: February 20, 2013, 2:00 – 5:00 PM
(5:00-6:30 PM, Networking Happy Hour)

Where: Discovery Learning & Research Center (DLRC)

Accepted Poster/Display

All types of posters and displays will be accepted as this is your chance to showcase student-led sustainability efforts both on and off campus. Showcase your organization's activities and recruit new members, highlight your research efforts, display community-based projects and partnerships, or bring innovative demonstrations and products. Posters and displays must fit within the following dimensions: 5 feet x 5 feet.

Submission Process

1.) **Fill out the following application:**

Title of poster or display
Authors & contact information (*include email only*)
Department/Organization
Type of display (poster, demonstration, etc.)

2.) **Email your application to:**

Lindsey Payne, paynel@purdue.edu by Friday, Feb-15, 2013 by 5:00PM
Confirmation and display event details will be send to the authors by Monday, Feb-18, 2013.
