

- Do you do social science, humanities or policy research related to the environment, agriculture, development, climate change?
- Do you utilize research methods that could be applied to HDR?
- Are you a physical or natural scientist interested in learning more about HDR or meeting HDR researchers?
- Do you find it challenging to meet other HDR researchers here at Purdue?
- Do you want to learn about potential HDR funding opportunities?

HDR "SPEED WORKSHOP"
INTRODUCE YOUR RESEARCH
IN UP TO 3 MINUTES
WITH UP TO 3 SLIDES

HUMAN DIMENSIONS OF ENVIRONMENTAL RESEARCH "MEET AND GREET"

Followed by a wine and cheese reception

Wednesday, March 7, 4:30 - 6:30 PM in the atrium of MANN

To RSVP, and take a survey introducing your research to the HDR community: www.purdue.edu/dp/environment/hdr

Sponsored by Purdue Global Sustainability Initiative. For more information contact Elizabeth McNie - emcnie@purdue.edu
