

# I2D LAB

## Purdue Global Engineering Programs

### STUDENT BREAKFAST

WEDNESDAY, MARCH 22<sup>nd</sup> 10:00-11:30 am

**Join Dorothy Okello for Breakfast in WANG 2501!!**

Eng. Dr. Okello is. Supported by USAID, RAN is a partnership targeting twenty Sub-Saharan African universities that seeks to identify, develop and scale innovative solutions that will strengthen the resilience of African communities afflicted by natural as well as man- made shocks and stresses by applying science, technology, innovation and partnerships, and using evidence-based approaches. In addition, Eng. Dr. Dorothy Okello is a Senior Lecturer with the Department of Electrical and Computer Engineering at the College of Engineering, Design, Art and Technology (CEDAT) - Makerere University, Kampala, Uganda. She is also a Researcher with netLabs!UG, a research centre within the Department whose model is to strive for a balanced critical mass of basic research, applied research, innovation and commercialisation in the area of telecommunications and networking. Eng. Dr. Okello holds a B.Sc. Eng. from Makerere University; a M.Sc. in Electrical Engineering from the University of Kansas, United States and a Ph.D. in Electrical Engineering from McGill University, Montreal, Canada She is a member of the Uganda Institution of Professional Engineers (UIPE) where she also currently serves as President 2016-2018, and is duly registered with the Uganda Engineers Registration Board (ERB).

Breakfast provided by Einstein's Bagel Company
