

**GENEROUSLY FINANCED BY:**

# 2010 TRANSATLANTIC PROGRAM - YOUNG TECHNOLOGY LEADERS (TAP-YTL): SUSTAINABLE ARCHITECTURE & URBAN PLANNING SEPT. 19-27, 2010

## WITNESS FIRST-HAND GERMANY'S LEADING ROLE IN CRAFTING NEW COMMUNITIES AND ENERGY EFFICIENT SPACES FOR LIVING AND WORKING

TAP-YTL 2010 offers 12 select individuals the opportunity to participate in an 8-day delegation trip to Germany:

- See Europe's largest urban development project "HafenCity," in Hamburg - EU Green Capital 2011
- Experience Passive House technology
- Visit Germany's most sustainable neighborhoods

The agenda will consist of theme-focused site-visits, presentations and personal interaction with innovative companies, networking functions with peers and industry leaders, cross-cultural training, language building

Destinations include cutting-edge sustainable architecture and urban planning hotspots:

- Berlin
- Hamburg
- Cologne
- Freiburg

**Application Deadline  
June 16, 2010**

## ELIGIBILITY REQUIREMENTS

- Currently-enrolled college and university students, preferably in either a graduate or PhD program -OR- young professionals already working in the associated field.
- Areas of study (major or minor) should include Architecture, Engineering, Urban Planning, or German. Candidates with different backgrounds may apply if they feel that their background can offer a unique contribution.
- Basic German language skills and interest in modern Germany required.

## SPECIAL NOTE

- **Companies** are encouraged to support and sponsor young professionals on staff that are considered well qualified. TAP-YTL is designed for students and young professionals alike, offering a unique mutually beneficial value added program for participating companies and their employees.

## **TAP-YTL PATRON:**

Dr. Klaus Scharioth,  
German Ambassador to the  
United States

## **ORGANIZED BY:**
