

September 16, 2024

To Whom It May Concern,

I am writing to confirm that Vasyl Chomko is a registered master's student in Systems Design Engineering at the University of Waterloo, currently carrying at 100% of a full-time academic program as part of his regular course of study.

Additionally, I certify that Vasyl Chomko is the main author of the paper titled "Synthetic Local Data Augmentation" submitted to the IEEE 26th International Workshop on Multimedia Signal Processing (MMSP 2024). As the main author, Vasyl has made the primary contribution to the research and writing of the paper.

Please feel free to contact me should you require further information.

Sincerely,

David A. Clausi | PhD PEng SM-IEEE FCAE FAAIA FEIC URC | Professor
Director | Vision and Image Processing Lab (VIP Lab) | Systems Design Engineering
Associate Dean – Research & External Partnerships | Faculty of Engineering
University of Waterloo | Waterloo, Ontario, Canada
