

**PURDUE**  
TM MATERIALS  
ENGINEERING

# MSE Student Night April 26, 2012

## Networking

Provides the opportunity for sponsors, potential employers, and key stakeholders to mingle and meet Materials Engineering students.

## Senior Design Poster Session

Project team members will display a poster that summarizes their specific project and their research findings. Following the event the posters will be displayed for one year in the main hallway of the Neil Armstrong Hall of Engineering.

## Awards Presentation

Awards to recognize our top students are handed out by the Department Head during Student Night.
