

# The BD<sup>®</sup> Technology Leadership Development Program

BD (Becton Dickinson, and Company), a leading global medical technology company, is seeking high-potential talent in the engineering, science and technology disciplines for the BD<sup>®</sup> Technology Leadership Development Program (TLDP). The TLDP consists of three progressively challenging rotations that span multiple businesses and geographic locations within BD that are designed to strengthen candidates' technical expertise and leadership skills. Qualified candidates must possess a PhD or research-based thesis MS. Unfortunately, the BD TLDP is unable to provide visa sponsorship at any time during this 5–6 year program.
