**3:00 p.m.** Event Concludes

## THE CHALLENGES

**Head + Student Team Golf Challenge:** Heads of the College of Engineering will team up with a student from their school to play three holes of mini-golf on the Siegfried Garden Plaza south of the ARMS atrium. The team with the lowest number of strokes wins. The other players are encouraged to make a gift on Purdue Day of Giving to the student organization or school fund selected by the winning team.

**Fly a Paper Airplane Individual Challenge:** In this walk-up challenge you'll be provided with materials and five minutes to make a paper airplane. The airplane that flies the farthest wins! One winning player will receive a \$50 gift card to Flying High Tea.

**Egg Drop Team Challenge:** Teams will be supplied with materials and given 20 minutes to build a nest. The team that is able to drop an egg into their nest from the highest bridge in the ARMS atrium without breaking it wins! Playoffs may be required. All players on the winning team receive a \$50 gift card to Another Broken Egg.
