

For Engineering Graduate Students

# Future Engineering Faculty and Professionals: *Mentoring Graduate Students*

Learn about...

- ◆ what you can do while in graduate school to build your mentoring skills
- ◆ what graduate students expect from their mentors/advisors
- ◆ how to effectively mentor graduate students with diverse backgrounds

***Date:* Tuesday, April 3, 2018**

***Time:* 11:30 AM - 1:00 PM**
