and Population

School of Public Health

Associate Member:

Universidad
de Puerto Rico

Key Information

- Fellowship opportunities are available at 21 sites in 15 countries in Africa, Asia, and South America.
- The fellowship includes research funding and a stipend, depending on the type of award.
- Appointments begin July 1st, 2021.
- The fellowship starts with a week-long orientation at the NIH in Bethesda, Maryland.

Eligible Applicants

- **U.S. pre-doctoral candidates** currently enrolled in doctoral programs in medicine, biomedical sciences, public health, government, business, design, engineering, education, nutrition, law, pharmacy, dentistry, veterinary medicine, and nursing.
- **U.S. or LMIC postdoctoral candidates** with an advanced doctoral degree in medicine, biomedical sciences, public health, engineering, government, business, design, education, nutrition, law, pharmacy, dentistry, veterinary medicine, and nursing.
 - *Note:* LMIC candidates must be citizens of a country with a partner site.
- **U.S. postdoctoral candidates** completing residency or a clinical fellowship program.

HBNU Fogarty Global Health Training Program

2021-2022 Fellowship Year

The Fogarty Global Health Training Program provides one-year mentored research fellowship opportunities in low and middle-income countries (LMICs) for pre- and post-doctoral candidates from the U.S. and LMICs. This program is sponsored by the Fogarty International Center (FIC) and several collaborating Institutes and Centers at the National Institutes of Health (NIH).

The program supports research in areas of interest, including: HIV/AIDS, non-communicable diseases, mental health, maternal and child health and nutrition, and more.

Applications for the 2021-2022 fellowship year are open from August 1 – November 2, 2020.
