

Birck Nanotechnology Center

10th Anniversary Celebration

CELEBRATING 10 YEARS OF
NANOTECHNOLOGY IN THE BNC

Room 121, Burton D. Morgan Entrepreneurship Center

- 8:00 – 8:15 am** Introduction and Welcome: Deba Dutta, Provost
- 8:15 – 9:00 am** *Keynote Address: Progress Toward Wafer-Scale Thermionic Energy Conversion and Perspectives on Future University Shared Fabrication Facilities*
Roger Howe, Stanford University
- 9:00 – 10:15 am** *Discovery Lecture Series: Panel on Nanotechnology Research beyond 2025*
Timothy Sands, Virginia Tech; Roger Howe, Stanford University; Mark Lundstrom, Purdue University
- 10:15 – 10:45 am** Break
- 10:45 – 11:45 am** **Nanotechnology at Purdue: BNC History and Prospects**
Martin Jischke, Richard Schwartz, James Cooper, Rashid Bashir,
Timothy Sands, Ali Shakouri
- 11:45 – 12:00 noon** **Thanking Our Donors and Speakers**

Café, Burton D. Morgan Entrepreneurship Center

- 12:00 – 1:00 pm** Luncheon: Tribute to BNC Students

Room 121, Burton D. Morgan Entrepreneurship Center

- 1:00 – 1:10 pm** **NCN/nanoHUB: Overview by Gerhard Klimeck**
- 1:10 – 2:30 pm** **Nanotech Madness**
Fast-paced, exciting talks on technical topics in nanotechnology
- 2:30 – 3:00 am** Break
- 3:00 – 3:30 pm** **Commercialization and Nanotechnology**

Atrium, Birck Nanotechnology Center

- 3:30 – 4:30 pm** **Reception: Tribute to BNC Staff**
- 4:30 – 5:30 pm** **Poster Session in the BNC Atrium**

Tours of the Birck Nanotechnology Center
will be given from
9:00 am until 12:00 noon and from 1:30 pm until 3:30 pm
